

From April 25 to April 27, 2018 the National Research Moscow State University of Civil Engineering will hold the XXI International Scientific Conference «**Construction the formation of living environment**».

The main aim of the Conference is to provide the sustainable innovative development of the construction industry, to preserve the continuity of scientific schools, to form a new level of training professional staff, to strengthen scientific and business contacts.

The papers of the conference participants will be published in the journal IOP Conference Series: Materials Science and Engineering, indexed in the international databases Scopus, EI Compendex and Inspec.

The language of the Conference is English.

Participation format: full-time with presentation or poster report

Scientific fields:

- Smart city
- Reliability of buildings and constructions
- Modern building materials
- New construction technologies
- Safety in construction

The Scientific Committee:

The Scientific Committee includes leading Russian and foreign scientists and specialists in the construction industry.

Important dates:

- January 24, 2018 – full paper submission deadline.
- February 14, 2018 – review of the full paper by the Scientific Committee.
- February 28, 2018 – deadline for the final paper submission
- March 28, 2018 – early registration payment deadline **€150/ 10 000 rubles**
- April 11, 2018 – regular registration payment deadline **€200 / 13 500 rubles**
- **April 25 -27, 2018 – The Conference.**

WORKSHOP FOR YOUNG SCIENTISTS

For students, undergraduates, graduate students and young scientists within the Business program of the Conference the workshop "YOUTH INNOVATIONS" will take place.

The age of the participants should be under 25 years old.

The reports of the workshop participants will be published in a separate proceeding indexed by the analytical database of the Russian Science Citation Index (RSCI).

The languages of the workshop are Russian and English.

Participation format: full-time and part-time with a poster report

Workshop topics:

- Smart city
- Modern building materials
- Safety in construction
- Reliability of buildings and constructions
- New construction technologies

Important dates:

- March 10, 2018 - deadline for the final paper submission
- March 28, 2018 - registration payment deadline

The registration fee is €30/2000 rubles.

Within the framework of the Conference, for the full-time participants of the Workshop, the Russian National competition of scientific and technical research youth projects "YOUTH INNOVATION" will be held, the winners of which will be awarded with memorable gifts and diplomas of the winners and prize-winners of the Competition.

Please, send your reports and completed registration form by e-mail to: MolchanovaIP@mgsu.ru
Contact person: Irina Molchanova Irina +7 (495) 287-4914 (ext. 2673), Department of Scientific Policy of NRU MGSU, room 1701 (administrative building).

Dear Colleagues, we invite you to participate in all events!
